ELECTRONICS PRODUCTS**

COMPLETE SOLUTION FOR YOUR LED NEEDS

ABOUT AARGEE

AARGEE EQUIPMENTS PVT. LTD., an ISO 9001:2008 company, came into existence in the year 1979. AARGEE initially began operations as pilot project with only five employees and has grown to the strength of 200 plus at our 15,000 sq feet Factory and around 100 plus looking after sales and service and, the most important public relations.

AARGEE started with transformers and inverters manufacturing activities and still continuing the same product and in addition, we have expanded our self into manufacturing of UPS systems and presently we have focused on renewable energy solution provider. AARGEE factory is situated at Hosur. Sales and Service are carried out through branch office situated in Chennai, Bangalore, Coimbatore, Trichy and Madurai.

Our Solar Products are qualified for *MNRE (Ministry of New and Renewable Energy)* specifications, as an original Manufacturer of Electronics and the products are duly tested and approved by *CPRI (Central Power Research Institute)*. Our UPS and SOLAR products are approved by *Directorate General of Supplies & Disposals (DGS&D)*, Govt. of India under the rate contract scheme. We are a NSIC/SSI registered company in the state of TamilNadu.
